

QUERSCHNITT HAUS A1 - B1 - C1

The drawing is a detailed architectural cross-section of a house. The main structure has a gabled roof with a 45-degree pitch. The interior is divided into several rooms: a living area (WOHNEN) with a fireplace, a kitchen (KÜCHE) with built-in appliances, a bathroom (BAD), and a bedroom (ZIMMER). A balcony/winter garden (BALKON/ WINTERGARTEN) is attached to the living area. The house is built on a basement level, which includes a technical room (TECHNIK) and a storage area (DISPO). The exterior shows a facade with a height of 4.25m and a total building height of 9.25m. The ground level is marked with a green line, and the basement level is marked with a red line. Various elevations and dimensions are provided throughout the drawing.

Key dimensions and elevations:

- Overall height: 9.25m
- Facade height: 4.25m
- Roof pitch: 45 Grd.
- Living area (WOHNEN) dimensions: 2.50m x 2.50m
- Kitchen (KÜCHE) dimensions: 2.50m x 2.50m
- Bathroom (BAD) dimensions: 2.50m x 2.50m
- Bedroom (ZIMMER) dimensions: 2.50m x 2.50m
- Balcony/Winter Garden (BALKON/ WINTERGARTEN) dimensions: 2.50m x 2.50m
- Technical room (TECHNIK) dimensions: 2.50m x 2.50m
- Storage area (DISPO) dimensions: 2.50m x 2.50m
- Basement level: -0.28m
- Ground level: 0.00m
- Roof height: 9.25m
- Living area (WOHNEN) height: 2.50m
- Kitchen (KÜCHE) height: 2.50m
- Bathroom (BAD) height: 2.50m
- Bedroom (ZIMMER) height: 2.50m
- Balcony/Winter Garden (BALKON/ WINTERGARTEN) height: 2.50m
- Technical room (TECHNIK) height: 2.50m
- Storage area (DISPO) height: 2.50m

Bodenaufbau EG:

- Deckbelag 10 mm
- Unterlagsboden 60 mm
- Trittschalldämmung 20 mm
- Wärmedämmung 120 mm
- (Stahlbeton 200 mm)

Total Bodenaufbaustärke 210 mm
