

This is a detailed architectural floor plan of a residential building. The plan shows multiple units, each with various rooms and their dimensions. A specific unit is highlighted with a red outline, indicating it is the subject of the document. The rooms within this unit include a living area (ff. 22 m²), a dining area (ff. 16.5 m²), a kitchen (küche 5.9 m²), a bathroom (bad wc), and a bedroom (kinder 10.0 m²). The plan also shows common areas like a lift (LIFT) and a playground (vorplatz). The drawing is a technical illustration with precise lines and dimensions, typical of architectural blueprints.
